Whom it may concern,

It is my pleasure to offer my unreserved recommendation for Full Throttled Events, LLC and specifically for Jeff Adams.

I've known Jeff and his wife Karen for over 15 years, having worked side by side with them providing support for automotive dealerships all over the USA. I have watched both of them handle success and challenge with the same great positive attitude. They are both hard workers and will prove to be honest, dependable, and an overall credit to your business. These are some of the many reasons why I can recommend them to you for your business and know you will thank me one day soon.

Full Throttled Events, LLC / Jeff Adams is the only Automotive Marketing/Staffing Company to be endorsed and recommended by American Standard Motorsports.

ASM looks forward to working with Jeff in the near future ourselves. I will not be able to elaborate on that, but EXCITING THINGS WORKING!!!

Jeff would be an asset to any organization, but I know that he has a particular passion to grow and advance automotive dealers market share and customer base. I'd be happy to answer any questions or discuss my recommendation further. Please feel free to call me at (704) 449-4479.

Sincerely,

Terrance A Cox , III
